## PIPES

### Fluid transports

On request, we supply a complete line of welded steel pipes and special parts of conduits and penstocks. For Pumping Stations, Aqueducts, Irrigation, Water Distribution and Sewage Systems.

The pipes and pipe accessories design and manufacturing may be in compliance with the following standards:

- ABNT
- ASTM
- ASME
- AWWA
- DIN
- AFNOR

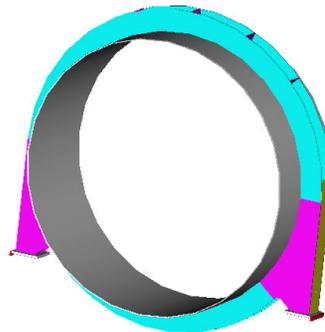

and others as requested by the customer. All welding processes and the welders are pre-qualified in compliance with "ASME Pressure Vessel Code".

The supply of this equipment, made conforming to international standards, is of the highest quality.

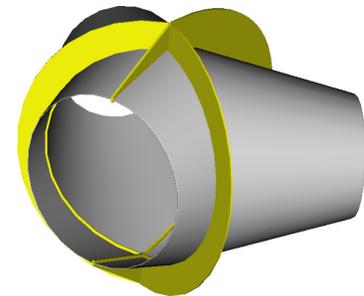

The special pipes parts and accessories manufactured by **hydrostec** are:

- Curves and elbows,
- Branches,
- Concentric and eccentric cones,
- Special parts such as Crossheads, T's pieces and others,
- Joints (couplings) as dilatation or assembly parts normalized or designed upon request,
- Supporting saddles: fixed or movable type,
- Manhole, flanges and others.

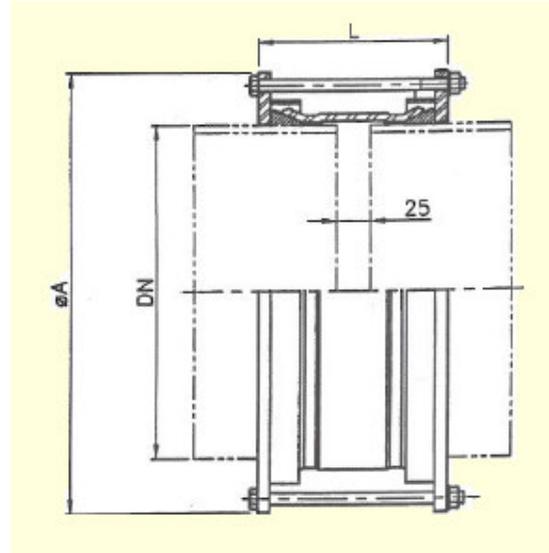

Alongside to the equipment supply, **hydrostec** may provide the project with complete hydraulic and mechanical dimensioning, as well as perform the penstock site assembly.

The coating and the type of anticorrosive protection for pipes and accessories should be according to the customer's specifications.

**Materials**

- body and flanges : ASTM A36
- screws and bolts : SAE 1020 galvanized
- stud bolts : A-193-B7 galvanized
- tubing : ASTM A36
- sealing gasket : SBR
- finishing : according to AWWA
- pressure class : PN10-PN16-PN25

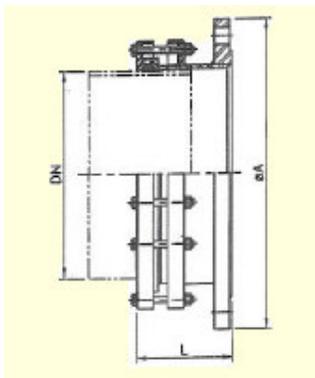

Pieces for special conditions are available on request.

## DRESSER 128 type joint

### Materials

- body and flanges : ASTM A36
- screws and bolts : SAE 1020 galvanized
- sealing gasket : SBR
- finishing : according to AWWA
- pressure class : PN10-PN16-PN25

Pieces for special conditions are available on request.

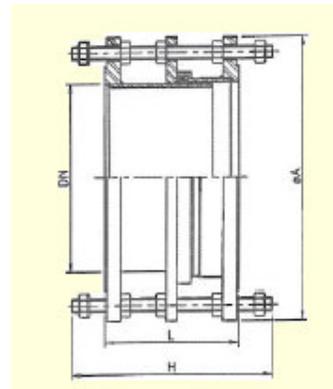

## Rigid joint

### Materials

- body and flanges : ASTM A36
- screws and bolts : SAE 1020 galvanizados
- sealing gasket : SBR
- finishing : according to AWWA
- pressure class : PN10-PN16-PN25

Pieces for special conditions are available on request.
